

AUDIO BIBLES FOR AFRICA

Help Bring God's Word to the Unreached

*Has not God chosen those who are **poor in the eyes of the world** to be **rich in faith** and to inherit the Kingdom He promised to those who love Him?
James 2:5*

Campaign Goal: \$61,000

THE STRATEGY

- 1. Expand Current Distribution** – Scripture, worship music, and discipleship content are already available in 15 languages. Now we need more devices to reach more listeners.
- 2. Record New Languages** – Train and equip local missionaries to record Scripture and discipleship content in 12 additional languages by 2028.
- 4. Follow-up & Discipleship** - Partner with regional pastors and field teams to ensure long-term engagement and church planting.
- 5. Multiply & Expand** - Apply lessons learned to additional unreached communities, scaling the impact.

Each new language recorded opens the door to hundreds of villages previously unreachable. Watch this video to learn how people are gaining access to the Bible in their heart language.

USE OF PROCEEDS for Phase 1 Goal: \$61,000

\$25 provides one Audio Bible to someone in an unreached community.

GOD'S WORD CHANGES LIVES

- A young Fulani man, unable to read, now listens to Scripture while tending cattle—and shared a device with his mother.
- Deborah was planning to commit suicide – until, that very day, God sent a missionary her way who shared the gospel, and an Audio Bible with her. Today, she shares the hope of Christ with others.
- When Mercy (below) received an Audio Bible, God's Word transformed her heart, teaching her to forgive quickly and show mercy to others. She shares, "When people hear from this Audio Bible, their lives can be changed."
- The Komba people, once unreached, now have full audio Scripture in their language, and they are boldly sharing Christ with neighboring peoples.

Each Audio Bible is not just a device—it's a catalyst for life transformation, discipleship, and multiplication of believers in remote communities. Scan the QR code to hear Mercy's testimony.

MAKE AN IMPACT

For just \$25, you can get an Audio Bible into the ears of someone who has never had access to God's Word. Your gift provides: Scripture, worship, testimonies and discipleship material – all in the local language.

Your gift fuels:

- Evangelism and discipleship in the most unreached areas
- Training and equipping of national field producers
- Sustainable church growth and multiplication
